Dear <Name>,

Your love for God and for our Church is why this world still stands.

Thank you for being you.

And thanks, too, for your devotion to protecting the most vulnerable members of our beloved Church!

Enjoy the enclosed newsletter. I hope your heart leaps when you read about all the ways you've helped strengthen our Church!

You are the one who understands it. You understand that without kind people like you, our Church would suffer much-much more deeply!

And so you open your heart. And you let the suffering come in and warm themselves from the fire of your love.

Your care matters. Your prayers matter. You matter.

*Thank you for opening your heart to suffering people like Fr Nektariy, Fr Aleksander, Marie, and others....*

Thank you for making our Church stronger - one person at a time.

With love in Christ,
